| Subject: Able Manufacturer Ceases Distribution and Recalls Medications | Priority: High |
| Date: May 26, 2005 | Message ID: ACSBNR05262005_4 |

Dear Provider,

Able manufacturer ceases distribution and recalls medications resulting in GMAC changes.

The generic manufacturer, Able Labs, Inc., Labeler Code 53265, has issued a recall of all products. This company manufactures a number of generic products that are included on the Medicaid GMAC (Georgia Maximum Allowable Cost) list.

Effective 5/26/05, the MAC pricing will be suspended allowing coverage for the brand counterparts of the following products:

- Lithium Carbonate
- Methamphetamine 5mg
- Theophylline SA 400mg and 600mg

We will continue to monitor the situation and keep you apprised of any changes.

We appreciate your assistance. If you have any questions, please contact Express Scripts Customer Service at 1-877-650-9340.

Sincerely,

Division of Medical Assistance
Department of Community Health
